

ABSTRACT REQUIREMENTS

1. Abstract submission opens on **5 December 2022** and closes on **15 January 2023** at 23:59 EET (GMT+2).
2. All abstracts must be submitted in English by filling out the **abstract form** in *MS Word* and submitting it on conferences.lu.lv/e/medicine.
3. Abstracts in the fields of medicine and health sciences may be submitted (according to the regulations of the Cabinet of Ministers¹):
 - a. basic medical science, including pharmacy,
 - b. clinical medicine,
 - c. health and sports medicine,
 - d. medical biotechnology,
 - e. other fields of medicine and the health sciences, including forensic science.
4. Abstracts must contain original material. Material presented elsewhere within the last year (as of **5 December 2022**) may be submitted, unless already published in the proceedings of scientific conferences of the University of Latvia, Riga Stradins University or another Latvian university.
5. Abstracts on individual case reports and literature reviews will not be accepted.
6. Authors are responsible for the content of their abstracts. All material must be the original work of the authors.
7. Abstracts must be submitted by filling out the submission form, where the presenting author confirms that all the listed authors have approved the abstract. After submission, the abstract cannot be edited.
8. The presenting author should be indicated at submission. It is not required for the presenting author to be the first one. Any of the authors can be the presenting author.
9. Abstract submission obligates the presenting author to be present at the conference (virtual participation is accepted in 2023). In case of non-attendance authors will be denied participation in future events.
10. Students submitting abstracts must have at least one co-author (academic personnel, researcher or certified professional) with experience in the respective field.
11. Review of abstracts:
 - 11.1. Abstracts are reviewed by editors approved by the Scientific Committee;
 - 11.2. If an abstract is rejected, the organizers are not obliged to explain the reasons for rejection. In select cases, the editor may permit the corresponding author to correct and resubmit the abstract. The editor may choose to give more detailed information on the necessary changes. The editor is not responsible for making any corrections (including language and grammar) in the abstracts.
 - 11.3. Upon submission, the author can indicate the preferred presentation format (oral or e-poster).
 - 11.4. The Organizing Committee makes the final decision on the presentation format and may change it.
