PREŠOV

Mgr. Štefan Pacák, MBA – koordinátor centra podpory

Support Centre Prešov started to operate on 1.June.2022, but our activities started at the beginning of the war, where we were on the border helping refugees

We made a second support center in the town of Bardejov on 1 October 2022 - because there is a large group of refugees living in this town

In the support centers we have a team of staff : an interpreter, a social worker, and a coordinator of the center

Thanks to these centers, we have provided more than 20 000 services

- **In our support centers in prešov and bardejov we are dedicated to: social area - help with finding a job, accommodation, accompanying clients - doctors, offices, help with placement in schools**
- **Education - financial literacy (employees trained by NBS), 3D printing and programming, short film making and editing, english language, conversation in slovak language, how to succeed in an interview, how to write a good CV**
- **Leisure activities - creative workshops for seniors, children and youth with slovak volunteers**
- **Psychological help- we have an in-house psychologist from ukraine- aromatherapy, art therapy, group therapy and individual therapy**

- **Food Aid - 440 Food Parcels (1 Parcel Approx. 8kg)**
- **Hygiene Packages - 435 Packages (1 Package Approx. 5 Kg)**
- **Material Aid - Clothing, Household Supplies, School Supplies - 90 Families**
- **Health Assistance- Assistance With Doctors, Health Day, Health Lectures, Financial Assistance For The Purchase Of Medicines, Aids, And Vitamins (50 Clients)**
