

OPEN READINGS 2015

58th International Conference for Students of
Physics and Natural Sciences

March 24-27 Vilnius, Lithuania

We invite you to participate in the
largest conference for students in
Baltic States.

Graduate and undergraduate students of
physics and natural sciences are welcome!

Consider this invitation because of:

- Invited lectures
- No registration fee
- Oral/poster presentations
- Active social program

Conference topics

- Laser physics and optical technologies
- Biophysics, medicine and environmental sciences
- Chemistry, chemical physics and biochemistry
- Technologies and engineering
- Semiconductor and condensed matter physics, material sciences
- Theoretical physics
- Computer science
- Interdisciplinary

Abstract submission deadline

February 6, 2015
